

# 21st Century Community Learning Centers Grant Programs at Brady High School

**Our Vision:** To increase the opportunity for members of our community to earn a high school diploma and to provide a fun and safe place for families to explore academic and healthy activities and to engage in service learning projects.

**Our Mission:** To provide tutoring and a competency-based diploma program serving Brady students and community members. After school programs will engage families in fun, healthy, and academic activities and provide opportunities to participate in service learning projects. An addiction clinician will be available to students who struggle with an addiction.

## The Details:

The “drop-in” programs are open now until December 18, 2015, and January 11 - June 16, 2016. We will follow Jeffco Schools’ calendar; if there is no school scheduled, there will be no after school programs (i.e., Thanksgiving holiday, professional development days, etc.). All programs are offered free of charge.

## How to register:

Drop in programs — all current Brady students are pre-registered. Attendance will be taken for grant reporting purposes only. Parents and family members who wish to participate should contact the main office, 303-982-6722, for registration.

Brady Community High School — Orientations are held every day, Monday through Thursday, at 6 p.m. to learn about the program and get registered. Start earning your diploma the same day!
