

Brady High School Enrollment Procedures

Brady's priority for acceptance is as follows:

1. Students new to Brady (in the following order)
 - a. Seniors
 - b. Juniors
 - c. Sophomores
2. Students returning to Brady who were withdrawn for any reason must re-attend eStart

Students with IEPs will follow these same guidelines with the additional considerations:

1. A copy of the student's most current IEP must be provided to the special education department at Brady 10 school days prior to eStart in order for a special education student to be considered for enrollment.
2. If you do not have a copy of the most recent IEP, one can be obtained from the student's current school or the district student records office (303-982-6714).
3. Once the student's IEP is reviewed, someone from the SPED department will contact the family to inform them if Brady can or cannot meet the needs of the student and whether or not he/she will be put on a waitlist.
4. Parents must sign the attendance and performance agreement at Brady's information meeting.
