parent, or grandparent of a
current Brady student?**

**Do you want to earn a
high school diploma?**

Brady Community High School

is an evening program that offers adults (18+) the opportunity to earn a high school diploma. It is open to adult family members of current Brady students. Former

Brady students may also apply to the program.

Classes are held Mondays-Thursdays, 4-7 p.m. If you are interested, come to the school at 6 p.m. any evening (except Fridays) for a brief orientation and then get started! Attend when you can (we ask that you commit to at least one day a week).

Arrive when you can (preferably before 5:30 p.m.)
